Civil Action No. 3:13-CV-3127-N

ORDER

This Court orders Defendants to file motions, if any, challenging the Louisiana state court's decision to certify a class action in this case by July 15, 2015. Response and reply briefs may be filed in accordance with Local Rule 7.1. *See* N.D. TEX. L.R. 7.1. Because the class certification issues have already been briefed once in state court, the Court is unlikely to grant extensions to this briefing schedule.

Signed June 24, 2015.

David C. Godbey
United States District Judge
